May I have
The draft rules impose certain functions on the Market Daroga & rule 26 indicates as to who can be entrusted with the duties of the Market Daroga instead of the Municipal approaching as he is the proper officer to the place YY

IV Paras 5 & 26. These two appear to be inconsistent. Under the latter para it would appear that the Market Daroga shall be the Sanitary Inspector or any other Municipal servant specially appointed by the President or Vice P in this behalf But under the former para Sanitary Inspector, overseer & Daroga are differentiated.

V Paras 8 & 10 The rent rents shops, stalls & lettings have not been quoted nor is it specifically stated that the Daroga should issue receipts for rents & fees money paid to him

Dy Comm's attention Maybe works to this omission YY 20/1/13

VI Para 16 'shop or a' may be entered before 'stall'.

May be adopted YY

VII Para 24 The byelaws should contain with advantage provisions for the destruction of unwholesome articles

This may be Suggested by Comm
